SUMMARY

I'm a passionate UI/UX and graphic designer with a background in Artificial Intelligence and Data Science. With strong skills in Figma, Photoshop, HTML, and CSS, I enjoy turning ideas into engaging digital experiences. I've organized tech events and developed real-world projects like a hospital management system using machine learning. I'm always eager to learn, collaborate, and bring creative solutions to life through thoughtful design and user-focused thinking.

TECHNICAL SKILLS

JavaScript	UI/UX Designing	Adobe Illustrator
HTML5	Wireframing	Adobe Creative Cloud
CSS3	Prototyping	Responsive Design
SEO	Adobe Photoshop	Graphic Designing

PROJECTS

Easy Health - Patient Record   **Figma (designing)**   **Link**

- Digitally stores and organizes patient records for quick retrieval and seamless healthcare access.
- Reduces paperwork, prevents data loss, and streamlines medical consultations.

Personal Web Portfolio   **Web Developing (HTML, CSS, JS)**   **Link**

- Acts as a digital resume, connecting recruiters through LinkedIn and GitHub while highlighting your expertise.
- Features a modern, responsive layout, interactive elements, and seamless navigation to enhance user experience.

Automated Hospital Management Using Reinforcement Learning   **Machine Learning**

- The project involves developing an automated outpatient management application using reinforcement learning, focusing on patient registration, digital record-keeping, and enhanced healthcare communication through real-time updates.

RESERCH PAPER

Outpatient Management Application Using Integrated System   **ICDSAAI**
- Presented my works at RTACT at 2024 before a panel of judges from SIMATS Engineering and the Department of AR and VR

EDUCATION

Montfort matric. hr, sec. school   **2019 - 2020**
HSC - 70.6%

SRM valliammai Engineering College   **2020 - 2024**
B.TECH - Artificial Intelligence & Data Science - 72%

CERTIFICATE

WEB Designing & WEB Development - FITA   **Sep 2024 - Mar 2025**
Web Designing - Figma, Photoshop, Illustrator
Web Development - HTML5, CSS3, JavaScript
